Live in Mission Gardens Estates where you can enjoy countryside views, wildlife and leisurely walk the river trail or neighborhood to the town market or charming cafés.

- We are located midway between San Francisco and Los Angeles in San Miguel in the heart of wine country.
- Our homes are only a short stroll from the historic Mission San Miguel, Rios-Caledonia Adobe and the growing downtown area of San Miguel.
- Children can bicycle to the "excellence in learning" Lillian Larsen Elementary School.

"We endeavor to build a safe and beautiful community which provides quality homes for families seeking the charm, lovely climate, clean air and beautiful countryside of California's Central Coast".
